

# Tree Restaurant

Dear Guest,

Welcome to TREE Restaurant and Bar at The Lodge at Woodloch. With a mantra of “Let Nature Nurture”, TREE Restaurant and Bar features fresh dishes that are as artistic and creative as they are healthy. Seasonal menus from the kitchen and bar often feature herbs, vegetables, fruits, and berries that are grown in our Blackmore Farm-to-Table Garden, located right on property. An extensive, award-winning sustainable wine and beer menu has been hand-selected and curated to compliment the menu by our Sommelier, Leslie Britt. With a goal to either grow or buy locally or organically, the food and cocktail menus feature the freshest of ingredients. A wide selection of certified sustainable, organic, biodynamic, vegan, and minimal intervention wine, beer, cider, and spirits highlight the menu as well. Our wine list has received The Wine Spectator Award for nine consecutive years.

The team is thrilled to offer new wine selections that change with the seasons. Ask your server or our Sommelier about the Sommelier-selected wine pairings, featured wine flights, and our progressive wine list. Alternatively, if you would simply like a recommendation from the wine list, our “WineSlinger” is always happy to share her stories.

We hope you savor your time with us as much as we enjoy hosting you. For your convenience, an 18% gratuity and applicable state taxes are added to your bill.

Drink Well, Live Well,

Robert Baldassari  
General Manager
