## TREE HOUSE MOCKTINIS

*In the 1600's Apothecaries were using small copper stills to make non-alcoholic herbal remedies. This alchemy was documented in The Art of Distillation published in London in the year 1651 & is now re-purposed for the modern day. In honour of this wild & natural world, we have created Non-Alcoholic "Mocktails" using the finest ingredients, and then blended to capture nature's true spirit.*
